REMARKS

The above amendment to the specification has been made to correct the claim priority to the identified United States patent application. In particular, the amendment specifies the relationship of the present application to the application from which priority is claimed.

Applicants submit that the present application is now in condition for allowance and the same is respectfully requested. Any questions that the Examiner may have regarding this correspondence can be directed to the undersigned who may be reached at (919) 854-1400.

Respectfully submitted,
